

SAFE RIDE HOME

Community Cab: (847) 824-5255

Buy a Safe Ride Home card in the bookstore \$5.00, you can use it in the event of a emergency when you find yourself in an unsafe situation. All you need to do is call the number of the cab company. They will come and pick you up if you are in the Maine West, South or East area and will take you to your home address. You'll need to show your school ID along with the card. We will get the card the next day, will send your \$5.00 to the company, and a **counselor or social worker** may have a conversation with you. This conversation is not meant to get you in trouble - it's meant to see if you are okay. We will return the card and you can use it again for a year. Please note: The purpose of the card is not to get you into trouble. It's to insure a safe ride home. What you tell us about the situation is up to you !
