Academic Tutoring Center

Your junior will be taking the SAT on April 14th, 2020
We can help them achieve their Personal A+™ with our SAT Success Prep Program!

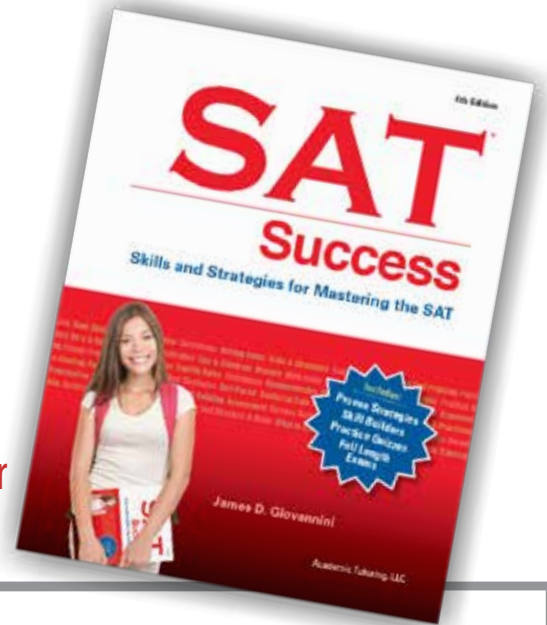

Dear Parents:

Next to a student’s grade point average, their performance on their college entrance exam is the single most important factor determining college admission. Academic Tutoring Center has provided outstanding test prep services to students in Park Ridge and the surrounding area for over 25 years: this includes offering prep programs at Maine West for over a decade! Our success rate is amazing: 97% of our students increase their scores. Our test prep programs have won praise from school administrators, parents, and, best of all, from students. SAT SUCCESS is effective because it motivates students to do their best and because it provides each student with the skills needed for success on the SAT and beyond.

Please review the details of the SAT SUCCESS prep course offered here at Maine West and register online as soon as possible. **Please be aware that classes fill very quickly.**

If you have any questions, please contact us directly. Our information is at the bottom of this page.

Sincerely,
 Jim Giovannini,
 Owner, Academic Tutoring Center
