Dear Parent/Guardian,

This school year, District 207 Schools are implementing a Virtual Hybrid learning opportunity for students. With this opportunity, there will be times when students will not be required to attend class 5 days a week. If your student is enrolled in a Virtual Hybrid class during 1st and/or 8th periods (or 2nd and/or 7th on block days) and does not need to attend class as specified by the teacher, your student may request permission to arrive late or leave early.

If you choose this option, please complete the following information and have your child return this form to the Assistant Principal for Student Supports' (APSS) Office for approval. Once approved, students will receive a sticker to place on the back of their Student I.D. Card which should be presented to staff when requested.

If your student decides to access a school resource area on any given day during 1st and/or 9th period (or 2nd and/or 7th on block days), he/she must be present before the bell and must remain in that area the entire period.
