

MAINE TOWNSHIP HIGH SCHOOL

DISTRICT 207

Parent/Guardian Guide
for the Class of 2027

MAINE WEST HIGH SCHOOL

Welcome from Dr. Eileen McMahon

Dear Students, Parents/Guardians and Caregivers,

Within this booklet, you will find important information about 9th grade. As you learn about the specific details that will help shape your choices for the next four years, I also hope that you are able to see within these pages the most important information of all: this is a high school that cares deeply about students, and will do everything we can to help students find success.

For students reading this book, your job is to discover what you love and to start thinking more about what a meaningful life will look like for you. Our job is to make sure that you have the experiences and skills that you will need to decide what that meaningful life will be, and to go out into the world and make it real. Your first step on this journey is to read this book. Doesn't it seem more exciting now than it did when you first picked it up?

For parents reading this book, we ask that you partner with us in your child's educational journey. Talk with them about what they like and don't like in their classes and clubs; support them in making good choices and persisting when they face challenges; contact us when you need help or have questions along the way. We're here to work together with you for the same goal: your student's growth, well-being, happiness and sense of purpose.

On behalf of the entire Maine West staff, welcome. We can't wait to meet this incoming class of students and families. We look forward to being a part of the wonderful things students will make happen here. Great things are waiting for the Class of 2027 at Maine West High School.

Go Warriors,

Eileen McMahon | Principal

CAREER ADVISEMENT

The goal for our nationally-recognized career advisement program is simple: Support each of our District 207 students to help "get it right" for them in charting a course for success. Watch our short video about the career advisement journey for a student in District 207 by by visiting bit.ly/207careerjourney or by scanning this QR code.

The work begins with each incoming 9th grade student through the formation of an Individual Career Plan. This plan helps each student find meaningful career experiences like job shadowing, mentoring, internships and apprenticeships based on research. When students get to experience career fields of interest they will make better informed decisions before spending time and

money going down an education path that is not a match or one that is not recommended by the industry of interest.

Through return on investment counseling and up-to-date data to help best inform students and parents on the full analytic projections of career paths, District 207 is committed to help lower the cost of post-high school education as well as decrease the amount of time spent searching for a good career match and time spent obtaining the needed education. Students who know why they are going to school have a better chance of success.

Parents can learn more about the career advisement program by visiting <https://maine207.org/career-exploration/> or by scanning this QR code.

ROADMAP TO ENTERING DISTRICT 207

1| ENROLLMENT

Enrollment is completed through an online application link which was emailed to the parent/guardian email address District 207 has on file.

Questions about enrollment, please email enroll@maine207.org or call 847-220-4202.

2| ORIENTATION NIGHT

Parents/guardians should attend 9th grade Orientation Night at the school your child will attend. Parents/guardians living in the optional attendance areas within District 207 are encouraged to attend both orientation sessions.

MAINE WEST
9TH Grade Orientation Night
November 29, 6:30-8:30 p.m.

3| MEET YOUR COUNSELOR

A counselor meeting typically occurs before or during January. Only after enrollment is completed can a counselor meeting be scheduled. That meeting starts the process of selecting courses.

Students who are enrolled in District 207 will complete registration in the spring. During registration parents will provide additional information beyond what was shared during enrollment.

Questions about entering District 207, please call:
Maine West 847-803-5768

4| REGISTRATION

ENROLLMENT

Students are required to be enrolled in District 207 in order to access the course selection meeting with a high school counselor. Parents/guardians should complete enrollment prior to January 1, 2023.

Enrollment is for incoming 9th grade students ONLY and does not require a login or email address at this time. During enrollment you will receive an important application number when you start this process, it is important to write this number down and keep it for future reference.

A link was sent to all incoming parents on November 2 with directions and more information about enrollment. If you did not receive the enrollment email and need assistance with enrollment, you can email enroll@maine207.org or text 847-220-4202.

While the deadline is January 1, 2023, parents/guardians are encouraged to complete enrollment as soon as possible. By completing the enrollment process for your child now, District 207 will be able

to communicate relevant information regarding the 2023-24 school year, including important dates, course selection and counselor meetings.

REGISTRATION

Registration occurs for all students each year in the spring. Students must be registered, and in many cases, prove residency in order to attend classes in District 207.

Please note that registration for the regular school year requires access to the Infinite Campus Parent Portal. If a parent has forgotten their password or doesn't have a verified email address, please utilize the "Forgot Password?" tool on the login page in the Infinite Campus Portal. The page can be found by visiting the District website and selecting "About" then selecting "Registration and Fees" then selecting "Infinite Campus" or by scanning this QR code. If you need additional support with registration contact:

Barbara Perkins
847-803-5768 | bperkins@maine207.org

FEES

Parents/guardians can pay school fees as a part of the registration process in the spring. Parents can also drop off payment at the school or send a check to the school at: 1755 S. Wolf Road, Des Plaines, IL 60018. Questions can be addressed to the bookstore at 847-803-5878.

Parents in need of support with fee waivers or reduced price meals may contact the school for more information at 847-803-5931.

RESIDENCY

District 207 contracts with an outside vendor to verify the residency of all students. The reason District 207 verifies each student's residency is to ensure that we are in compliance with state law and to fulfill our obligation to District 207 taxpayers that we allocate our resources to educate students who are legitimately entitled to attend our schools.

Parents/guardians found to be sending a child to District 207 schools and not living in the school district boundaries will be prosecuted to the full extent of the law.

Parents/guardians who have residency verified through the process will receive a letter stating that information and sharing that no further action is needed. Parents/guardians who receive a letter asking for more information regarding residency will be required to submit all paperwork to the Student Services Office by the deadline indicated in the letter.

If residency changes during the course of the school year, parents/guardians will need to inform the Student Services Department of the change of address.

**MAINE TOWNSHIP HIGH SCHOOL
FOUNDATION**

The Maine Township High School Foundation supports Maine East, Maine South, Maine West and Frost Academy through many types of educational activities including program grants to faculty at all schools, needs-based grants for students and sponsoring the School Based Health Center.

The Foundation has awarded over 250 grants totaling more than \$250,000 to teachers and students for innovative instructional practices, enhanced classroom experiences, national competition support and rewarding student programs.

STUDENT AND FAMILY SERVICES

ASSOCIATE PRINCIPAL FOR STUDENT & FAMILY SERVICES
Cristina Ramirez
847-803-5757 | cramirez@maine207.org

The Student and Family Services team helps students make decisions and choices that will allow for success in high school and beyond. Student and Family Services works with students, families and staff in supporting students' academic, social-emotional and career development throughout high school. Student and Family Services implements a range of supports for students and families including monitoring student progress data, social and emotional groups, course selection, career advisement and counseling services in preparation for college and careers.

Parents/guardians are encouraged to contact their child's school counselor whenever the parent/guardian needs additional information about their child's progress in school. The counselor has access to many supports to assist parents/guardians and can help make connections with the right individuals in the school when needed. While the Student and Family Services Department anticipates the needs of students, the most effective way for the department to support families is to create an open communication between home and the school.

THE TEAM INCLUDES:

Counselors – See back panel for contact information

Postsecondary Counselor
Sara Holmes (sholmes@maine207.org)

Career Coordinator
Tyra Nelson (tnelson1@maine207.org)

School Nurse
Eileen Khasho (westnurse@maine207.org)

Psychologists – See back panel for contact information

Social Workers – See back panel for contact info.

Learn more about the services provided to students and families by visiting the Maine West website and selecting “Student and Family Services” from the menu on the left of the page or by scanning this QR code.

EXTRACURRICULAR ACTIVITIES

Maine Township District 207 schools offer extensive opportunities beyond the classroom to engage in learning, self-discovery, and the pursuit of personal interests with like-minded peers. Maine West offers more than 80 clubs, activities and student organizations. Students can participate in clubs based on hobbies, academics, charitable efforts, personal identities, as well as social and political interests. Some excellent opportunities for freshmen include Freshman Class Council, Student Voice Committee and WestSide Cheer Section.

Learn more about the clubs, activities and student organizations by visiting the Maine

West website and selecting “Activities” from the menu on the left of the page or by scanning this QR code.

ATHLETICS

Maine West offers nearly 30 varsity sports. Interscholastic athletic programs at Maine West form a part of a diverse co-curricular activities program. The activities are regarded as vital parts of the total educational offerings of the school. The sound development of the physical capacities of youth complements and enhances the intellectual, spiritual, emotional and social development of our student-athletes. These opportunities are indispensable tools in the achievement of the goal of a comprehensive education.

Athletic teams are organized according to season, and a full listing is available on the Maine West Athletics web page. To learn

more about the Warrior athletic programs, visit the Maine West website and select “Athletics” from the menu on the left of the page, or by scanning this QR code.

HEALTH INFORMATION

All 9th graders entering Maine West High School must have a current physical along with verification of immunizations, as required by state law. The physical examination must have been completed within one year prior to the first day of school. All components of the form including the Health History must be filled out, signed and dated. Please note that a sports physical cannot take the place of the 9th grade required physical.

By May 15th of their 9th grade year, students are required to have a dental exam on file. School dental examinations must have been completed within 18 months prior to the May 15th deadline.

District 207 discourages taking any medications at school. However, if a student must take medication,

including over-the-counter products such as Tylenol, an Authorization and Permission of Medication Form must be completed by both the Parent/Guardian and the Attending Physician and on file in the Health office.

All of the required forms and more information may be found by visiting the Maine West website and selecting “Student and Family Services” from the menu on the left of the page then selecting “Health Office” or by scanning this QR code.

Forms can be sent to Maine West High School by mail at 1755 S. Wolf Road, Des Plaines, 60018; faxed to 847-803-5752; or emailed to westnurse@maine207.org. If you have questions please contact the Health Office at (847) 803-5751.

SCHOOL BASED HEALTH CENTER

The School Based Health Center (SBHC) is available to any student at Maine West, typically at no cost. The SBHC is located at Maine East High School, 2601 Dempster, Park Ridge, and is a partnership between Maine Township High School District 207 and Advocate Medical Group, in affiliation with Advocate Lutheran General Hospital. The goal of the SBHC is to improve the physical and emotional health of students attending Maine East, Maine South, Maine West and Frost Academy.

The SBHC is a comprehensive primary care program and is linked to community-based services. The SBHC is one of many SBHCs across the country. A SBHC provides medical and mental health screenings and treatment for young people who might otherwise not have access to primary care.

School-based health centers have proven to be successful vehicles for addressing the challenges of adolescent health care. They are designed to be accessible, affordable, confidential and teen friendly. More information on school-based health centers can also be found from the School-Based Health Alliance and EverThrive Illinois.

The District 207 SBHC is open Monday through Friday during regular school hours.

Contact the SBHC at 847-825-4059 or set up an appointment by visiting: <https://calendly.com/d207sbhc> or by scanning this QR code.

GRADUATION REQUIREMENTS

In order to graduate from the Maine Township high schools, students must earn a minimum of 22.75 units of credit. In addition to fulfilling the above requirements, in order to obtain a District diploma, students must take the state mandated high school accountability exam.

More information is available by visiting the District website and selecting "Academics" then "Graduation Requirements" or by scanning this QR code.

COURSE PLACEMENT AND ELECTIVE COURSE REQUESTS

Incoming 9th graders have options when it comes to course selection for freshmen year. Only enrolled students can set up a meeting with a counselor in order to make course selections. Those meetings typically take place in January prior to school starting in the fall.

The typical 9th grader will take a course in each of the following curricular areas:

ENGLISH

MATH

SCIENCE

HEALTH & WELLNESS

In addition, students have the option to choose to take two courses from among many other curricular areas during 9th grade including but not limited to:

CAREER & TECHNICAL EDUCATION

FINE ARTS

SOCIAL SCIENCE

WORLD LANGUAGES
